MICROcure

LED CIPP CURING SYSTEM

LESS DISRUPTION. MORE PRODUCTION.

The MICROcure LED pipe rehabilitation curing system is an all-around solution that works on horizontal and vertical sewer laterals. The LED CIPP technology is designed for inversion installation from 3"-10" and works in tandem with inversion drums or continuous sluices.

Cable reel with 229 feet
(70 meters) of supply hose

Bendability in 90-degree turns
as small as 4-inch pipe

Reports can be downloaded
after each job via USB

MICROcure

LED CIPP CURING SYSTEM

CONSISTENT. QUALITY. PERFORMANCE.

MICROcure is an innovative and user-friendly LED system that features a "straight-to-the-point" curing software that provides consistent CIPP rehabilitation performance, and produces necessary documentation. Developed with direct feedback from plumbers and contractors, the MICROcure system was designed with the pro in mind.

ROBOTICS

3"-6" BASE SYSTEM INCLUDES

- Cable reel 229' (70m)
- Hose package 229' (70m)
- LED light source - 4 x 100w
- Compressed air refrigeration dryer
- Camera module (removable)
- Control panel and video monitor
- Software package
- Hose drive unit
- Y-Pipe - 6"
- Supply and accessory cases
- Safety and replacement accessories

3"-10" FULL SYSTEM INCLUDES

- 3"-6" Base System (see above)
- LED light source - 8 x 100w
- Wheel-set 8" (DN200)
- Y-pipe extension
- Y-pipe - 8"

PART NUMBER	DESCRIPTION
MC-3-6SYSTEM	MICROcure LED CIPP Curing Solution Base System - 3"-6" Pipe
MC-3-10SYSTEM	MICROcure LED CIPP Curing Solution Full System - 3"-10" Pipe
MC-8-10UPGRADE	MICROcure LED CIPP Curing Solution Base System - 8"-10" Pipe
MC-04601920	Compressed Air Refrigeration Dryer (Included in Base & Full Systems)
MC-04602200	Camera Module for Light Source (Included in Base & Full Systems)
MC-04601940	Y-Pipe 6" (Included in Base & Full Systems)
MC-04602100	Light Source - 4 x 100W (Included in Base & Full Systems)
MC-04602150	Light Source - 8 x 100W (Included in Full System)
MC-04602170	Wheel-set 8" (DN200) (Included in Full System)
MC-04601985	Y-Pipe Extension - 8"-10" Pipe (Included in Full System)
MC-00000000	Y-Pipe 8"
MC-04602592	32' Cable Extension
MC-04602480	Additional Monitor
