

# SOURCE ONE LININGS

## Lateral Lining Trial Program

*At Source One Environmental (S1E), our goal is to provide innovative solutions in the water management and infrastructure rehabilitation markets. Our products are only a portion of the equation – the ability to offer proactive solutions for our customers and provide adequate training is what S1E ultimately strives for.*

### **In House Demo – Free!**

*Designed for individuals that have limited or no lateral lining experience.*

1 day **In House** classroom training and demonstration of equipment and materials. Source One Environmental will provide all consumables and equipment for demonstration, along with meals. Accommodations (travel fees, lodging, etc.) will be responsibility of the customer.

### **In Field Demo**

*Designed for individuals with basic to moderate lateral lining experience.*

1 day **In Field** Demo with an S1E technician covering everything from equipment to installation techniques. This demonstration provides the ability for customers to see the consumables and equipment used in live applications.

### **Pricing\*:**

- \$1,500.00 for an on-site technician (1 day)

*\*Customers are responsible for the purchase of ALL consumables and the shipping of consumables and equipment. A pre-trip report, signed agreement, signed waiver, and payment **MUST** be completed prior to training date. If equipment is purchased during the training, the training fee (\$1,500) will be rolled into the cost of equipment.*
